

# WNTC Schedule

WNTC, campus radio station, plans to broadcast as many of the Potsdam college home baseball games as possible. However, competent sport announcers are needed. If you are interested in being an announcer, you may contact Harvey Glatt at 4787.

Monday night news broadcasts include news from Potsdam and Clarkson Colleges, and from the town. If anyone has any announcements of coming events that he wishes to have broadcast, he may contact John Hillman at 4248.

Joan Kirnie is the reader for the Children's Story Hour every Sunday afternoon from 1:30-2:00. Requests for favorite stories will be acknowledged if possible.
